DISCUSSION

On April 29, 2016, the Petitioner filed a request for hearing to contest the termination of his benefits effective May 1, 2016. The Petitioner called on June 20, 2016 and left a recorded voice-mail message indicating that, although he still feels that he is exempt from certain work requirements, because he is the primary caretaker of his grandmother, he was no longer contesting the termination of his benefits, and did

not need a hearing. The Petitioner also indicated that he no longer wanted FoodShare benefits, because had found some side jobs and was expecting to have sufficient income to pay for food in the upcoming month. Accordingly, this appeal will be dismissed.

If I have misunderstood the situation, the Petitioner is directed to the rehearing instructions below.
